Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool Revised October 2018

Commissioned by **Department for Education**

Created by

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the <u>Ofsted Schools Inspection Framework</u>, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively <u>governors</u> hold them to account for this.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click HERE. Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
 Increased engagement in physical activity Increased enjoyment of physical activity Teachers in school upskilled and confident delivery of PE curriculum REAL PE scheme has embedded in the school Wide range of sports clubs available at the school Breakfast club involves physical activity Breaktimes – girls now far more active at breaktimes and increasing mixed games seen 	 Some children are still struggling with daily mile and this needs boosting further

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below: As we swim in Year 4&5 summer term with Year 6 booster sessions, due to COVID these numbers remains unchanged
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	76%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	76%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	73%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2019/20	Total fund allocated: £30455 (£ 19790 Sports Premium rest school budget)	Date Upda	ated: July 2020	
Key indicator 1: The engager	Percentage of total allocation:			
primary school children unde	rimary school children undertake at least 30 minutes of physical activity a day in school			
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated	Evidence and impact:	Sustainability and suggested next steps:
Increased engagement of pupils in physical activity at break times	 COVID 19 and bubbles meant an adult was outside with each bubble organising games – children increasingly active and engaged New active games taught to pupils over lockdown PE challenges included in all lockdown planning each week supported by sports partnership and PSD School to achieve Schools Games Mark – evaluating provision and using the platform to enhance provision 	£1830	Children all engaged in physical activity during the breaktimes in school Twitter pages reflected engagement in PE challenges	Focused sports teacher 4 days/week in 2020-21 who will continue with focus on engaging active play
Children participate in Daily Mile	 Daily Mile key feature of each class with route established so that children can participate without impacting on other sporting activities. Engage interest in daily mile by teachers potentially running with children Link daily mile to the topic eg run to Norway with Vikings topic etc. 	None	More children now able to run for the length of time and less walking stops. Children engaged and now ask for the daily mile to happen if a different adult is in the room. Percentage of children who exercised hard enough to breathe faster higher than Herts average 2018	children to have a voice – new Sports Council to be set up

			questionnaire (85% school – 76% Herts)	
Children active and engaged at break times	 Pastoral staff organise activities at break time with focus on positive sporting attitude Three Rivers Play Rangers work two lunchtimes a week focused on active play 	£6000	Children highly engaged and active throughout break – wider variety of games played and children continue with games on days play rangers not available. A number of children have made positive connections with play rangers and now attend local sessions increasing physical activity out of school. 89% children said they find it easy to be physically active at break time (HRBQ 2018). This is an increase from 76% (HRBQ 2016) Not updated due to COVID partial closure	Maintain working relationship with the Three Rivers Play Rangers – with focus on continuing to engage 'Girls' in physical play and those not engaged
Breakfast Club has a physical activity daily	 Qualified sports coach employed at breakfast club who starts the day for the 50 children attending breakfast club with a physical activity and mindful practise 		Observations of the club. Popularity of club grown over the years increasing from group of 10 to group of 50 with a waiting list.	Continuing this with Covid restrictions will be tricky. However, in their bubbles the aim is to give at least 2 sessions/week
Key indicator 2: The profile o	f PESSPA being raised across the school as a r	tool for who	i ble school improvement	Percentage of total allocation:
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated	Evidence and impact:	11 % Sustainability and suggested next steps:
School has clear balance of Physical Education (PE) , School Sport (SS) and	 PE lessons focused on the REAL PE scheme, which is a skills based programme focusing on developing 	£3500	99% of YM children responded they have done a sport listed in the past week (HRBQ 2018)	From September 2020 we will have focused sports teaching for 4 days/week greatly

Physical Activity (PA)	core physical and agility skills.			increasing the profile of PE and

Ensure NQT and new to

	ensure balance of skills and teaching expertise is achieved		them in lessons 9/10 boys and 7/10 girls enjoy physical activity (HRBQ 2018)	for support
Use of specialist staff to meet the needs of vulnerable children with 1:1 or very small group interventions – PE focussed but linked across the curriculum	 SEND children and Post LAC children with poor co-ordination and weak core have individualised learning plans 1 afternoon/week SENDCo to liaise with PSED around individual needs to ensure best provision possible. Small group activities with active maths focused on engaging children's learning 	£4125	SEND children more comfortable in PE – relationship has been established and their needs can be met more appropriately. Inclusive practise developed for SEND children as observed in lesson observations supported by PSED coach who is specialist in sport for disabled children.	Maintain relationship with PSED
Key indicator 4: Broader expe	erience of a range of sports and activities off	ered to all	pupils	Percentage of total allocation: 5%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated	Evidence and impact:	Sustainability and suggested next steps:
Annual Health & Wellbeing Week and Feel Good Week	 Due to COVID 19 this wasn't possible in 2019-20 as planned Alternative included daily physical activity with class adult and learning new games/sports Focus on games that are more covid secure and require less physical contact 	none	Children were active everyday and all children engaged	Aim to re-introduce this event in covid secure way 2021 New equipment purchased to support moving forward

Mindful core breathing	 Daily Mindful breathing techniques 3 x day PSHE Jigsaw scheme includes focused mindfulness session each week which children engage with across the school 		Children and teachers confident applying the core breathing technique as a basic approach to managing anxiety	Staff now trained and process embedded in school policy and training
Free After School Clubs – wide variety many involving sports	 All teachers to run afterschool/lunchtime club – no charge. PPG children priority access PSD employed to run selection of clubs – dodgeball, football, dance/gymnastics afterschool 	PSD costs	Opportunity for up to 300 afterschool club spaces available to children, 67% children responded they had joined a sports after school club (HRBQ 2018)	PSD staff work closely with school and able to offer ongoing support
Key indicator 5: Increased particular	rticipation in competitive sport			Percentage of total allocation: 8%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated :	Evidence and impact:	Sustainability and suggested next steps:
Engagement in the Rickmansworth Sports Partnership increasing opportunities for engagement in competitive sports – inter and intra school.	 Participate in after school competitive leagues for football, girls football, netball, rounders All local competitions entered including kwikcricket, tag rugby, tri golf, athletics, gymnastics competitions, funruns. Attendance by PE leader at the local PE partnership meetings (termly) 	Annual members hip + £300 travel costs	High engagement with all children participating in inter-school activities. Strong success in gymnastics taking 2 nd place and girls' football as league league winners (County finals attended) 83% YM children responded they had taken part in competitive sports compared to 68% Herts average (HRBQ 2018)	The PE leader will continue to support wider PE across the school and support the teams in after school competitions. School will maintain engagement with the local sports partnership.

 Gymnastics Club Qualified gymnasti school staff who ru clubs each week. All children welcon most competent re school and ALL chil a school display. 	ns two gymnastics ned to club with presenting the	 Increase in demand for gymnastics places resulted in extra gymnastics club. Strong achievement at Three Rivers Gymnastic Competition 	
---	---	---	--

NB: Figures total more than 100% due to additional funding contributed from the school budget to the fund.
