

Yorke Mead Primary School

Year One
Silver Birch & Elder

Summer Term

My Day at School

When I come into the classroom, I will organise myself by putting my water bottle into my coloured group tray. Each morning I will take out of my book bag my reading record and my reading book, any letters for my teacher and any homework I need to hand in.

We will begin the day with a busy fingers' activity. Once we have done the register, we will complete our Morning Maths, followed by running The Daily Mile. After some Mindfulness, our Phonics session will begin. Immediately after our Phonics learning, we complete our Reading Practise. English and Maths will predominantly take place during the morning session. Our topic work including: Art, History, Music, D&T, P4C, PSHE, RE and Geography will usually happen in the afternoon. For the Summer Term, Computing will take place on a Friday morning.

As well as The Daily Mile - where we run for up to ten minutes together at a pace that suits us, we have a playtime in the morning and again in the afternoon. This helps us towards the daily recommended one hour a day exercise all children should have.

At the end of the day, I will put my reading book and any letters back into my book bag so please remember to check it each night.

What will I learn?

This year our topics will be:

	1 st Half	2 nd Half
AUTUMN	Ourselves	Celebrating Differences
SPRING	Toys	India
SUMMER	The Great Outdoors	Superheroes

Our themed 'India Day' was a great success in the Spring Term. Thank you so much to all of you who volunteered – you really made the day.

During the second half of the summer term, we will have a Superhero Day (children will be invited to dress as a real life or fantasy superhero). We will send out more information about this day closer to the time.

Forest School

This term is Year 1's turn for Forest School. Silver Birch will have this learning for the first half term; Elder will have Forest School during the second half of the term. Please be aware that Forest School will replace one lesson of PE each week.

Summer 2	PE (Tuesday and Friday afternoons): Team Building	PE (Friday afternoon): Team Building Forest School (day to be confirmed)

Home Learning

I will continue to have a short home learning activity which I will bring home on Friday and will need to hand in by the following Wednesday. This might be an English, Maths, Topic or Phonics challenge. Please encourage your child to complete this piece of learning as it prepares them for their future learning as they move through the school.

Reading

I will read to an adult in school regularly, often through our daily reading Practise Sessions, where I will work with an adult three times a week. My reading book, which I will take home, will be checked and can be changed on a Monday, Wednesday and Friday. Books will only be changed if they have been read at home – please record this in the orange diary. It is important that my reading record is always signed with a comment to help my teacher know how I am progressing with the book. Whilst I am reading shorter books, please try to read my book with me three times (before changing it) for: decoding, fluency and comprehension – ask me questions about the book, do I understand what I am reading? As I move onto longer books, which might have chapters, three reads of the same book will no longer be necessary.

Please remember that I have on-line reading book which my teacher assigns to me every week. **During the autumn term, I came home with a user-name and password for the Collins ebook website where I will be able to access each book.**

Stamps

On a Monday, my teaching assistant will put a stamp in my reading diary if I have read and my diary has been signed at least 4 times during the previous week. Once I have 10 stamps, I will receive my bronze reading award, 20 stamps the silver reading award and 30 the gold reading award.

Library Books

Every Thursday, we will visit the school library where I will choose a library book and bring it home. I need to bring my book back to school the following Thursday so that I can choose a new one.

Uniform:

Please make sure that all items of my uniform are clearly marked with my name. I can only wear plain stud earrings, no other jewellery or nail varnish should be worn in school. If I have long hair, it must be tied back. Please see our uniform policy for more information

Things to bring to school:

Book bag

I need my book bag and reading book **every day**. To keep our reading books in good condition please **DO NOT** put water bottles into my book bag. I should not bring in anything from home that I have not been asked to bring in, **this includes toys and fidget toys.**

PE Kit

I need a pair of black shorts, black or white trainers/plimsols and a red t-shirt for PE. On colder days, I will also need a school tracksuit or pair of black tracksuit bottoms or black leggings, and a jumper (preferably without a hood) as we will do outdoor PE. My PE kit should stay in school and just be brought home at the end of each half term to be washed. All of my PE kit should be labelled as it is easy for me to get it mixed up with other children's when I get changed. If I am wearing tights to school, I will need a pair of socks in my PE bag. It is important that I have the skills to change by myself so please make sure I can fasten my own shoes.

PE will take place on Tuesday afternoons and Friday afternoons.

A Bottle of Water

Sipping water throughout the day helps to keep my brain active. I need to bring a named bottle of water to school each day. I will bring my water bottle home each night so that it can be washed and refilled ready for the next day. I am only allowed to have water in my bottle.

Snack

It can be a long time from breakfast until lunch time for a little tummy. Please can I bring a healthy snack to eat during morning break. This must be a healthy snack of fruit or vegetables. If my snack is in a container, please make sure it is named. To help with my independence it is important I can open my own snack packet or pot.

Coats and Hats

With the weather in Britain, I will always need to have a coat or jacket in school in case it turns cold or rainy. Now that we are in the summer term, we will hopefully experience some warmed weather. Please can I bring a sunhat and a bottle of sunscreen for outdoor activities. Ideally, I will apply sunscreen before I come to school and then I can top it up during the school day. If I don't have a sunhat, I will need to stay in a shaded area and I may not be allowed to take part in activities outside.

Wellingtons

In the summer term, my class will be taking part in forest school, and I will need to bring in wellingtons and a warm jumper. My teacher will send a letter out prior to starting forest school with more information.
